| **Class XII** (UP Board) | 2019-2021 | L. M. I. C. JANKINAGAR SEORAHI KUSHINAGAR | 79.8% |
| **Class X** (UP Board) | 2019 | RAMPATI I. C. DHARMPUR PARVAT KUSHINAGAR | 83.16% |

## INTERNSHIP/EXPERIENCE

- Fresher

## PROJECTS

**StudyNotion – Online Learning & Course Management Platform**  **Link**                          **20 May 2025 – 15 Aug 2025**
- StudyNotion, a full-stack EdTech platform enabling online learning and course creation.
- Implemented user authentication & authorization with JWT and OTP-based email verification.
- Built role-based dashboards for Students, Instructors, and Admins with Razorpay payment integration to manage courses and enrollments.
- Integrated Cloudinary for media uploads and Nodemailer for email notifications.

**Tech Stack:** React.js, Node.js, Express.js, MongoDB, Redux, Tailwind CSS, Cloudinary, Razorpay, JWT, Nodemailer

**Portfolio Website**  **Link**                          **20 Aug 2025 - 10 Sep 2025**
- Created a responsive personal portfolio website to showcase projects, skills, and achievements.
- Designed a clean and modern UI for seamless user experience across devices.
- Implemented backend integration to handle contact form submissions and message delivery.

**Tech Stack:** HTML, CSS, JavaScript, React.js, Node.js, Express.js

## ACHIEVEMENTS

- 5-star rating on HackerRank in Java & C++
- Solved 50+ Questions on Leetcode using Java

## SKILLS

**Frontend:** React.js(Hooks, Redux, ContextAPI), HTML5, CSS3, JavaScript, Bootstrap, TailwindCSS

**Backend:** Node.js, Express.js, RESTfulAPIs, JWT Authentication, API Integration

**Databases:** MongoDB(Mongoose, Schema Design, Aggregation), MySQL

**Programming Languages:** Java (OOPs, Collections, Data Structures), JavaScript(ES6+,Async/Await,Promises),Python

**Tools & Version Control:** Git, GitHub, VSCode, Deployment(Netlify), Postman

**Core Concepts:** OOPs, DSA, DBMS, COA, Operating Systems

**Soft Skills:** Time - Management, Quick learner, Problem-Solving skills, Self-Motivation, Team Collaboration

**Interests:** Teaching, Exploring Web Technologies, Building Projects.
